Darla Rufner – Enlighten Benefits

Darla is a coffee loving dog mom, who enjoys reading and educating the community about Medicare and health insurance. She has been a licensed agent in the state of Oklahoma since 1991 and is licensed in 5 other states as well.

She and her team take employee benefits to a whole new level! They are the owners and do not answer to anyone but the Business Owner. They handle the quotes, enrollment, claims problems, and bring technology to the table. They also specialize in Medicare. They handle all of your employees Medicare questions and guide them on the best choice for them, i.e. Group Health/Medicare. Free seminars for Medicare scenarios are available and Darla has a real passion for educating folks on what can be a very confusion situation.

Darla graduated from East Central University in Education.
